No comment

Dont more writing work to the student.. And tests regularly

Experience teachers

Teachers should take more extra curricular activities to improve the student skill.

1. Teacher's nature , ethics , behaviours affects their teaching skills ; so , judge them (ethical interview) before employing .
2. Students which are going to take admission in college should also be interviewed (to understand their nature , and ethics) . From this you will get proper students which are in search of knowledge .
3. If anyone is reading this review , then I am thankful to him and also to institution .

Very good facility

V good

Teaching learning process is vary good.

In learning process expands discription.

And these learning process is good well

Very Good

Taking online lectures via YouTube or Meet is enough for us. But our institute never did such efforts. They were effective only for 15-20 days during lockdown 2020. After then, they never reached us and directly took offline written exams to evaluate us. They should have to learn from Mumbai University teachers.

To guide in every syllabus problems. I,,,

1. Teachers are trying well to teaching online lectures.
 2. I have so many problems to learning of online lectures.
 3. Teachers are good , they nicely teaching .
- Thank you

Other compitative study.mpsc syllabus.general knowledge exam every weekend.
