CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

IQAC prepares academic calendar of the year. The time table committee designs Time Table for all Arts, Science, Commerce and B.Voc. courses as per university and government norms. It is displayed on notice board and college website. We have Add-on, Skill based and Value added courses focusing on employability enhancement and entrepreneurship development of the students. Teacher wise workload is allotted for the academic year accordingly they prepare their teaching plans for respective subjects. The lecture plans are written in their individual Academic Diary. Teachers are expected to execute their course deliverables according to teaching plan. Teachers refer to the standard reference books prescribed by University along with other sources of information available through online and offline for effective delivery of curriculum. Besides the use of conventional methods, various other teaching methods like Quiz, Group Discussion, Demonstrations, Debates, PPT Presentations, Allied Projects, Games, Short Films, Industrial Visits, Add-on practicals, Open book tests, Assignments, Videos, Use of charts and graphs, Case studies are used for effective curriculum delivery. Based on semester wise result analysis of every course corrective measures are suggested by IQAC and bridge courses and remedial lectures are conducted if required. Academic review and feedback is taken periodically. The review is taken by conducting regular meetings about difficulties faced by teachers while teaching.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

 Feedback on the teaching-learning process is received from students as Students satisfaction survey based on a structured questionnaire framed and approved by the IQAC of this college. • The structured questionnaire obtainable from each department. Students can submit their filled feedback form to the head of the department and Chairman, Feedback Committee. • Department of Mathematics of our college developed software for feedback analysis. IQAC of college analyses the feedback received from various stakeholders. • IQAC forward the analysed feedback to each Head of department and the Principal with necessary suggestions based on this feedback. • The issues raised were discussed in the IQAC Core Committee meetings for seeking possible remedial measures. • Teachers provide informal as well as formal feedback to the head of the institution on different academic, administrative and other affairs related to the college. • Teacher's feedback is taken on their views about the curriculum provided by our affiliated University. Also their suggestions on the curriculum are submitted to the parent university. • Members of anti-ragging committee also receive feedback from students through class campaigns. • Grievances (if any) and necessary suggestions can be registered to the Grievance Redressal cell of the college. The Grievance Redressal cell composition is altered every year at the beginning of academic session. • Departments receive feedback from parents through parent- teacher meetings and discuss different issues related to the overall development of their ward. • The college is planning to introduce online feedback system from the academic session 2019-2020. • Informal interaction with the various stakeholders on different occasions has also led to the formation of ideas and opinions regarding developmental aspects of the institution
