Tal. Baglan Dist. Nashik
Department of Microbiology
ICT base learning

- Department has LCD projector that is use for the teaching of F.Y., S.Y., T.Y. as well as P.G. students.
- For PG students teacher ask them to prepare protocols for their practical by referring research paper on the INFLIBNET.
- For teaching newly introduced topic like marine Microbiology, Nanobiotechnology advance molecular biology we are using NPTEL as well as ePGPathshala.
- For U.G. and P.G. students we have prepared Google classroom facilities, you tube channel.
- For practical's which are not possible to perform in our lab we use NPTEL. Interactive videos on YouTube as well as ePGPathshala.

DEPARTMENT OF CHEMISTRY

ICT BASED TEACHING REPORT 2021-2022

'Aim of ICT Based Teaching'

"To Help the Students to Become Competent and Confident and Be Able to Use the Basic as well as Advanced Knowledge and Acquire Skills to Assist and Enhance Their Daily Lives"

During the academic year 2020-21, Chemistry Department was organized ICT techniques in teaching methods. The students During the ICT Based Teaching of the academic year, the faculty members guided them as guidance to students. Through considering the above aim and objectives students were educated by providing them the opportunity through the modern teaching aids. The chemistry department provides various kinds of teaching material to students, viz. YouTube videos and links, PPTs, e-books, e-content, educational website and video lectures.

With this facility faculty members teach the student through YouTube videos, links, PPTs, educational websites, and video lectures. For sharing the knowledge and information our students created a class-wise What's App group with the help of teachers.

Students from F.Y.B.Sc to M.Sc. CHEMISTRY were selected. The study materials, E-Books, Audio Video Clip, YouTube Video, and PPT were shown for these students. All of these factors have benefited these students. While studying these classes, these students were found to have difficulty in acquiring basic concept skills. It was possible to guide them in that direction. These classes were organized by the Head of the Department. College Principal has given permission for these ICT Based Teaching lectures for Students' improvement towards ICT Base knowledge. They thanked the department for this.

Students' Centric Learning (Pedagogies Used)

- **Pedagogy used for Teaching** - Participatory Learning, Classroom Teaching, Interactive Session and Cutting Edge Practice
- **Tools and Materials used** - Blackboard, Chalks, Projectors, and PPTs etc.
- **Description of the Methods-** The students are fully involved in the process of teaching and learning making it two way process for effectively imparting the knowledge.
- **Outcomes (Learning Experience)**

The students are seen to be highly curious to know various aspects of the certain terms and periods in Zoology. The interactive mode of learning provides the students with an opportunity to have free interactions with the teachers regarding their queries. Meanwhile, the students are allowed to express their own perspectives of the points under discussion.
