4. Emergency Power Back-up Facility

In order to meet the emergency need of electricity, college depends on two diesel power supply generators and Solar panels (On-Grid and Off-Grid). 1st generator is located near Botanical Garder and 2nd is between girls common room and drinking water facility in the college. Both the generators produce and supply 15kw output/electricity each. Total 63 solar panels are located and are fixed on terrace of main building. These solar panels are producing 15kw and 5kw output/electricity each.
